

Sunday Night Chanting

Dedication of merit

May the merits made by me

Now or at some other time

Be shared among all beings here,

Infinite, immeasurable.

By rejoicing in this cause,

This gift of merits given by me,

May beings all forever live

A happy life, be free from hate

And may they find the path secure

And their good wishes all succeed.

This is the Dedication of Merit chanted at Wat Buddha Dhamma under the guidance of Phra Kantipalo. It is chanted here by former Wat resident and long-term yogi, Gabrielle Cusack.
